PUB 724 (7-17)

Dear Teachers and Parents:

We, at PennDOT, take very seriously our role in ensuring the safety of your children as they travel to and from school. We work with school districts and their transportation providers to deliver school bus services that have student safety as the No. 1 priority. This partnership yields a high degree of safety for children on school buses. Still, especially when students leave the confines of the bus, we see children injured and just one such incident is one too many.

For our part, PennDOT requires school bus drivers to retest and retrain every four years in order to maintain their certification. Each October, during National School Bus Safety Week, PennDOT organizes "Operation Safe Stop." This is a public awareness campaign to educate the motoring public that passing a stopped school bus is both dangerous and illegal. For your part, you can help by making sure your children and students know basic school bus safety rules. Here are some points to stress to them when you discuss being safe while going to and from the School Bus stop and while on the bus:

1. Be on time.
2. Never run to or from the bus.
3. Stand back from the curb.
4. Don't push or shove.
5. Stay in your seat.
6. Don't yell or shout.
7. Always obey the driver.
8. If you must cross the street, always do so at least 10 feet in front of the bus.
9. Never crawl under a school bus and never try to pick up a dropped article near the bus.

This activity book covers these safety rules and we hope your children will find it fun to use as they learn its important messages.

Sincerely,

A handwritten signature in black ink that reads "Kara N. Templeton". The signature is written in a cursive style with a large, prominent initial "K".
