

THE TALE OF MRS. LADYBUG

ARTHUR SCOTT BAILEY

Arthur Scott Bailey

The Tale of Mrs. Ladybug By Arthur Scott Bailey (1877-1949)

Have you ever seen a LadyBug and wondered what the cute little bug with the dots on her back was thinking? And why she seemed in such a rush? Well here is your chance to peek into her thoughts and enjoy some of her daily triumphs and disasters. "Little Mrs. Ladybug was a worker. Nobody could deny that. To be sure, she had to stop now and then to talk to her neighbors, because Mrs. Ladybug dearly loved a bit of gossip. At the same time there wasn't anyone in Pleasant Valley that helped Farmer Green more than she did. She tried her hardest to keep the trees in the orchard free from insects. Some of her less worthy neighbors were known sometimes to say with a sniff, "If Mrs. Ladybug didn't enjoy her work she wouldn't care about helping Farmer Green. If she hadn't such a big appetite she'd stop to chat even more than she does now." (Summary by the book and phil chenevert) Total running time: 01:38:37. Dedicated Proof-Listener: Sarah Jennings. Book Coordinator, Meta-Coordinator, & Cataloging: Phil Chenevert.
